

PRICE LIST

FIRST CONSULTATION

First consultation with gynecologist (personally, by phone, skype - max 60 min)	EUR 0	YES	NO
Additional consultation with gynecologist / geneticist / urologist (personally, by phone, skype – max 30 min)	EUR 50	YES	NO
Additional consultation with gynecologist / geneticist / urologist (personally, by phone, skype – max 60 min)	EUR 100	YES	NO

IVF

COMPLETE IVF CYCLE – PACKAGE 1A

EUR 2 850

YES

NO

PRICE INCLUDES

- Consultation at the start of the IVF cycle
- Gynecological examination
- STD
- AMH
- Hormonal profile
- Creating of stimulation protocol
- Ultrasound examination during stimulation
- Sperm analysis
- Sperm preparation for IVF
- Oocyte collection
- ICSI
- Prolonged cultivation of embryos
- ET incl. ECHO-catheter
- Anesthesia
- Recovery room
- All-inclusive snack

PRICE DOES NOT INCLUDE

- Stimulation medication
- Other additional laboratory methods according to the current price list
- Cryopreservation of the embryos by vitrification with storage (1 year)
- Deposit for the confirmation of the serological findings

PAYMENT PROCEDURE

- **EUR 0** Payment on the day of consultation at the start of the cycle
- **EUR 500** Payment on the day of scheduling stimulation
- **EUR 2 200** Payment on the day of oocyte collection (OPU)
- **EUR 150** Payment on the day of ET

PRICE DOES NOT INCLUDE			
<ul style="list-style-type: none"> • Price for any FET and each next FET • Additional laboratory methods according to the current price list 			
THE GUARANTEE			
<ul style="list-style-type: none"> • This program guarantees ** the recipient 2 transfers (minimum 3 embryos, fresh transfer/ FET and FET). A prerequisite for the guarantee is sufficient sperm quality. If there are no surplus embryos left, we guarantee a cryoembryo transfer of embryos from the oocytes of the matching donor and the cryosperms of the recipient's partner. The guarantee is valid for one year from the 1st transfer. ** If there is a medical factor on the part of the recipient (e.g. insufficient height of the endometrium), as a result of which the transfer could not take place, the cost of 1 straw will be borne by the clinic. • With the completion of the 13th week of pregnancy, the guarantee is fulfilled. 			
THE THIRD CYCLE IS ON US			
<ul style="list-style-type: none"> • If, after two cycles with donated oocytes (including follow-up CryoEmbryoTransfers - FET), you do not get pregnant (confirmed cardiac event), you will have the opportunity to undergo a third cycle treatment free of charge as part of the last used package. The package is considered exhausted after a FET has been performed on all embryos created within the given package (each FET is subject to payment as per the current price list).
